Dear Economy Exterminators,

We want to thank you for partnering with The Salvation Army of Wake County again this year on our Christmas Cheer program. Through your matching gift efforts, and the kindness of your staff and customers, over \$13,000 was raised to serve children and families in need in Wake County. We held our Annual Christmas Distribution on December 17, 18, & 19, where new toys, Angel Tree clothing, and toy stockings were distributed to 8,719 children from 3,864 families. We were also able to distribute 650 new bicycles, through the kindness of the Triangle Spokes Group. It was a blessing for us to see the happy faces of the parents that would normally have gone without gifts for their children last year. None of this would have been possible without the support of close to 700 volunteers, and generous donors like you. We appreciate your dedication to the at-risk families and children we were able to serve together. Your help was a tremendous blessing to all of us!

Many Thanks,

Peter Donlon
