

GOLF MARATHON

Cary & Kraft Family YMCAs

May 15, 2012

Dear Mr. Canning,

100 Holes To Make A Difference

Thank you for joining with others in the community and supporting the Cary and Kraft Family YMCA Golf Marathon. Your commitment of \$250 is evidence of your desire to help children and families in need, which strengthens our entire community.

The Golf Marathon is a major source of funding for the Cary and Kraft YMCA outreach program. Each year, 100% of the proceeds from the Golf Marathon benefit YMCA outreach programs. These funds provide scholarships to hundreds of youth, individuals and families who could not otherwise afford to attend YMCA programs. Y Learning is one example of a YMCA outreach program.

Y Learning is the YMCA's afterschool tutorial program. Y Learning students are in grades 1-8 and struggle to reach school system benchmarks. Most Y Learning students lack financial and educational support at home and are referred to the program by school counselors. Each Y Learning program site maintains a 1 to 6 staff to student ratio, which includes at least one certified teacher. In the Cary and Kraft Family YMCA area, Y Learning currently serves 345 children in 12 local schools.

On behalf of our volunteer golfers and all the children and families the YMCA will be able to serve, thank you for your generosity and support.

Sincerely,

Moss Withers
